

## HAY RIVER AND MADIGAN LINE HYBRID TOUR ITINERARY: 19 - 31 Aug 2025

Planning is subject to change brought about by road, weather conditions, and what happens en route.

We will meet every morning at 8.15 am for an 8.30 am start unless other arrangements are agreed.

Food and fuel are available at most of the bigger stops (Marree, William Creek, Oodnadatta, Mount Dare, Alice Springs, Gemtree, Jervois, Birdsville, Cameron Corner). Daily distances travelled are around 200 – 350 km. The longest distance between fuelling locations is some 720 km (Jervois to Birdsville). It is recommended you take sufficient basic food and water supplies for 6 days just to be safe.
